Focus – *The true figures of those enslaved in 2019 are not exactly known but it is believed to be in the region of 30 Million globally. Many face horrific slavery from ruthless slave traders. It is not just adults enslaved by these evil slave traders but children traded into prostitution and slavery – and near to you in modern UK. We should strive to do all we can to rid this evil from society and abolish slavery with every step we take. Please support the A21 campaign and join them in a ‘Walk for Freedom’ on 17 October 2019 and follow campaign - Facebook, twitter and Instagram @A21*

Dear friends welcome to the October edition of **My Community Network** for keeping you informed of issues that I am representing you on at TMBC. I am a local family man, born and bred in Borough Green. Business man, ex - school governor, Parish & T&MB councillor. My mission includes building a network of support in my political work for improving our community and to represent our people. *This month’s edition focuses on ‘Abolishment of Modern Slavery’*

Fact – In 1833 William Wilberforce saw the Abolition of Slavery Act passed in parliament. However, more than 170 years on and slavery is still in the world, in our country, in our county, in our towns, in our villages and in our streets. Millions of human beings are enslaved across the globe in environments no different to those in Wilberforce’s days. Modern slavery
