**Gen.46**

Dear friends welcome to the December edition of **My Community Network** for keeping you informed of issues that I am representing you on at TMBC. I am a local family man, born and bred in Borough Green. Business man, ex - school governor, Parish & T&MB councillor. My mission includes building a network of support in my political work for improving our community and to represent our people. *This month’s edition focuses on ‘One Planet Living’*

**Fact** – Globally, we are ravaging at the planet’s resources at a rate that the planet cannot replenish then causing problems such as disappearing forests, declining fisheries and climate change. The world that we live in is most definitely entering a period in time where serious decisions and actions need to be taken for the long term sustainability of aspects of our planet. Not in the future but now!
